

Using your new fax service

Inbound faxes are forwarded to email address: **you@youremailaddress.com**

Outbound faxes are sent via email from the same email address as noted above. It is important that you use this address.

The fax address of the outbound fax is formatted as follows:

1555555555@faxhd.com where 5555555555 is the fax number of the outbound fax.

Only attachments are sent to the fax'ed party. All other email fields are ignored.

When a fax has been sent, you will receive an email confirmation that your fax has been **“Queued Successfully.”** Page 2

When a fax has been delivered to the intended party, you will receive another email confirmation that your fax has been **“Successfully Delivered.”** Page 3
